

SIT210: Embedded Systems Development

Task 1.1P Submit a name file

Hardware Required

None

Software Required

Microsoft Word

Pre-requisites: You must do the following before this task

None

Task Objective

Objective of this task is to practice submitting task documents to OnTrack.

Steps:

1. Create a word document and name it "mynamefile.docx"
2. Put your name and student ID in the file.
3. Save/print it as PDF
4. Submit the PDF to OnTrack

Task Submission Details

A PDF file that includes your name and student ID.

Remember, anytime you submit a task to OnTrack, it is a good practice to check the status of any existing tasks, and the future tasks you are expected to complete. If you have got feedback on previous tasks, you may need to fix and resubmit some of your work. You want to check out why, so that you can learn from this and make it faster and easier to accomplish later work to the required standard.
