Task 2.2C – Answers

Question #1:

https://youtu.be/ReFhwwUK5sU

Question #2:

Creating a tutorial for 2.1P was very helpful for me in that it helped me solidify my understanding of not just how morse code works but also how to set up a particle argon device to blink morse code messages. It also made me really think about what it is that the particle argon is doing internally when I was explaining it in the video.
